Aisha

Business Analyst

aisha.testcandidate@fictionalmail.com | 082 345 6702 | Cape Town, South Africa

Profile

Practical Business Analyst with a strong process-improvement background gained through hands-on operational roles before transitioning into analysis. Known for clear documentation and a collaborative approach to problem-solving.

Education

National Diploma in Information Technology (Business Analysis) — Cape Peninsula University of Technology *(2017 – 2019)*

Work Experience

Business Analyst — Harbourview Logistics *(Mar 2021 – Present)*

- Analysed warehouse workflow inefficiencies and proposed process changes that reduced order-processing time by 15%
- Documented current-state and future-state process maps for the operations team
- Liaised between IT developers and operations staff during a warehouse management system rollout

Operations Coordinator — Harbourview Logistics *(Jun 2019 – Feb 2021)*

- Managed daily scheduling and reporting for a 20-person warehouse team
- Identified recurring bottlenecks that later informed the analyst role's process review project

Skills

Process mapping • Requirements documentation • MS Visio • Stakeholder liaison • Basic SQL • Change management support
