KUDZAI NCUBE

BUSINESS ANALYST | Bulawayo, Zimbabwe | +263 77 000 5274 | kudzai.ncube.cv@example.com

PROFESSIONAL PROFILE

Detail-oriented business analyst with 4 years of experience in requirements analysis, reporting, workflow improvement and stakeholder support. Comfortable working between business and technical teams, with practical skills in Excel, SQL, process modelling and data visualization. Particularly interested in improving customer and operational processes through technology.

EDUCATION

BSc Honours in Information Systems
National University of Science and Technology (NUST) | 2020

Zimbabwe School Examinations Council Advanced Level
Milton High School, Bulawayo | 2016

PROFESSIONAL EXPERIENCE

Business Analyst — Technology & Business Solutions Firm, Bulawayo

Apr 2022 – Present

- Elicit requirements from clients and internal stakeholders and convert them into clear functional requirements.
- Develop process maps, data-flow documentation, user stories and acceptance criteria.
- Analyse business data using Excel and SQL to identify trends, exceptions and improvement opportunities.
- Support testing cycles by preparing test scenarios, recording defects and coordinating user feedback.
- Present findings and recommendations to stakeholders in clear, non-technical language.

Junior Business Analyst — Retail and Distribution Company, Bulawayo

Jan 2021 – Mar 2022

- Prepared weekly operational reports and assisted managers with performance analysis.
- Documented business processes and helped identify bottlenecks in order-processing workflows.
- Supported system-user training and gathered feedback after process changes.
