Professional Summary

Detail-oriented Financial Analyst with 5+ years of experience in financial modelling, budgeting, forecasting, and variance analysis. Skilled at turning complex datasets into clear insights that support strategic decisions. Proficient in Excel, SQL, and Power BI, with a record of improving reporting accuracy and cutting month-end close time.

Work Experience

Senior Financial Analyst | Meridian Logistics Group | Jan 2023 – Present

- Built and maintained 3-statement financial models used for annual planning across 4 business units
- Reduced monthly reporting cycle from 8 days to 5 by automating data pulls with SQL and Power BI
- Led variance analysis on a R/$120M operating budget, flagging cost overruns that saved an estimated 3.2%
- Presented quarterly forecasts to senior leadership and the CFO

Financial Analyst | Brightpath Retail Holdings | Mar 2020 – Dec 2022

- Prepared monthly management reports, KPI dashboards, and rolling 12-month forecasts
- Conducted profitability analysis by product line, informing a pricing change that lifted margin by 1.8%
- Supported due diligence on two small acquisitions, including valuation using DCF and comparables
- Partnered with procurement to renegotiate supplier terms, improving working capital

Junior Financial Analyst (Graduate Programme) | Lakeshore Insurance Ltd | Feb 2019 – Feb 2020

- Reconciled accounts and assisted with month-end close and audit preparation
- Maintained budget tracking spreadsheets for three departments

- Automated recurring Excel reports using VBA macros

Education
