Physiotherapist BSc | Orthopaedics & Hand Therapy

naledi.dlamini@physio.co.za · +27 73 556 8821 · Bloemfontein, Free State · HPCSA: PT0053892

7+ Years Exp. | 22+ Patients/Day | HPCS

## PROFESSIONAL PROFILE

Dedicated and meticulous Physiotherapist with 7 years of specialist experience in orthopaedic and hand therapy rehabilitation across the Free State's public and private healthcare sectors. HPCSA-registered with a CHT-aspirant credential and advanced training in post-fracture hand rehabilitation and upper-limb biomechanics. Known for precise clinical assessment, thoughtful splinting and a warm bedside manner that builds patient confidence.

## WORK EXPERIENCE

### Senior Physiotherapist — Orthopaedics & Hand

*Universitas Academic Hospital — Bloemfontein, FS*

Feb 2020 – Present

- Managed specialist hand therapy and orthopaedic outpatient caseload of 22+ patients daily.
- Developed a post-Dupuytren's release rehabilitation protocol adopted hospital-wide.
- Fabricated and fitted custom static and dynamic hand splints for 80+ patients annually.
- Supervised community service physiotherapists and BSc clinical students.
- Collaborated with orthopaedic surgeons and OTs in weekly MDT hand clinic.

### Physiotherapist

*MediClinic Bloemfontein — Bloemfontein, FS*

Jul 2017 – Jan 2020

- Managed general outpatient MSK caseload with growing upper-limb specialism.
- Introduced DASH and QuickDASH outcome measures for upper-limb patients.
- Performed post-surgical rehabilitation for wrist fractures, TFCC repairs and tendon injuries.

### Community Service Physiotherapist

*Bongani District Hospital — Welkom, FS*

Jan 2017 – Jun 2017

- Completed compulsory community service in a mixed district hospital setting.
- Managed burns rehab, orthopaedics and chest physiotherapy caseloads.
