- Electrotherapy & Modalities (TENS, Ultrasound)
- Empathy & Interpersonal Care
- Time Management & Caseload Planning
- Team Collaboration (Multidisciplinary Care)
- Record-Keeping & Clinical Documentation
- Problem-Solving & Adaptability

PROFESSIONAL EXPERIENCE

Physiotherapist *Feb 2023 – Present*

Riverstone Wellness & Rehabilitation Clinic — Cape Town, South Africa

- Deliver individualised assessment and treatment plans for a caseload of 15–20 patients weekly, covering musculoskeletal, orthopaedic, and sports-related conditions.
- Apply manual therapy techniques, including joint mobilisation and soft-tissue release, to reduce pain and restore function.
- Design and progress tailored exercise rehabilitation programmes, monitoring outcomes and adjusting treatment based on patient progress.
- Educate patients and families on injury prevention, home exercise routines, and self-management strategies.
- Collaborate with biokineticists, occupational therapists, and referring physicians as part of a multidisciplinary care team.

Junior Physiotherapist (Community Service) *Jan 2022 – Jan 2023*

Fairview District Hospital — Gqeberha, South Africa

- Provided physiotherapy care across orthopaedic, surgical, and outpatient wards under a high-volume public hospital caseload.
- Conducted patient assessments and implemented evidence-based treatment plans for post-operative and trauma patients.
- Communicated clearly with patients from diverse backgrounds to build trust and improve treatment adherence.
- Assisted in early mobilisation protocols, contributing to reduced average length of hospital stay.

Physiotherapy Intern *Jul 2021 – Dec 2021*

Sunridge Sports Rehabilitation Centre — Cape Town, South Africa

- Supported senior physiotherapists in the rehabilitation of amateur and semi-professional athletes recovering from sports injuries.
- Practised manual therapy and taping techniques under supervision, receiving strong feedback on technical skill and patient rapport.

EDUCATION

Bachelor of Science in Physiotherapy *2018 – 2021*

Greenhaven University — Faculty of Health Sciences

Bachelor of Science in Biokinetics (Honours) *2022*

Greenhaven University — Postgraduate study focused on exercise-based rehabilitation and clinical biokinetics
