Lerato Mokoena

Physiotherapist BSc | Musculoskeletal & Community Health

lerato.mokoena@physionc.co.za · +27 73 441 8823 · Kimberley, Northern Cape · HPCSA: PT0062841

PROFESSIONAL PROFILE

Dedicated community and musculoskeletal physiotherapist with 5 years of experience serving the Northern Cape's under-resourced public health sector. HPCSA-registered and deeply committed to expanding physiotherapy access in rural and peri-urban communities. Experienced in high-volume district hospital settings, community outreach and multi-professional rehabilitation teams. Passionate about health education and disability prevention in the Sol Plaatje region.

EXPERIENCE

Physiotherapist — MSK & Community

Robert Mangaliso Sobukwe Hospital — Kimberley, NC

Jan 2021 – Present

- Managed a mixed MSK, orthopaedic and neurological caseload of 25+ patients daily.
- Led a community physiotherapy outreach programme visiting 4 peri-urban clinics monthly.
- Developed a falls prevention group exercise programme for elderly patients (40 enrollees).
- Supervised community service physiotherapists and BSc Physiotherapy students.
- Collaborated with OT and social work in a weekly disability grant assessment MDT.

Community Service Physiotherapist

Gordonia Hospital — Upington, NC

Jan 2020 – Dec 2020

- Completed community service in a remote district hospital with limited resources.
- Managed mixed burns, orthopaedic, neurological and paediatric caseloads independently.
- Developed patient handout materials in Afrikaans, English and Setswana.

Clinical Student / Intern

University of the Free State Physiotherapy Dept. — Bloemfontein, FS

2016 – 2019

- Completed 4-year clinical rotations through MSK, neuro, paediatrics and respiratory.
- Awarded Best Clinical Student award in final year.
