Isabella Ferreira

Physiotherapist | Clinical Pilates, Women's Health & Sports Rehab

ABOUT ME

Experienced and highly regarded Physiotherapist and Clinical Pilates specialist with 11 years of private practice experience in Johannesburg's northern suburbs. Maitland Level 4 certified with a Polestar Pilates full apparatus credential. Serves a loyal caseload of runners, triathletes, post-partum women and office workers. Co-owner of RehabCore Physio & Pilates Studio in Sandton since 2018. SASP Women's Health SIG and Sports SIG member.

WORK EXPERIENCE

Co-Owner & Principal Physiotherapist

RehabCore Physio & Pilates Studio — Sandton, GP

Jan 2018 – Present

- Co-founded and manage a boutique physio and Clinical Pilates studio with 3 practitioners.
- Manage a mixed caseload of 22+ patients per day across physio and Pilates rehabilitation.
- Provide sports physio for Johannesburg Road Runners club members and triathlon athletes.
- Built a women's health service from 0 to 18 weekly patients within 12 months.
- Introduced digital outcome tracking (Cliniko) improving patient retention by 28%.

Senior Physiotherapist

Netcare Olivedale Hospital — Johannesburg, GP

Jun 2013 – Dec 2017

- Managed mixed outpatient MSK and post-surgical caseload in a busy private hospital.
- Completed Polestar Clinical Pilates full apparatus training and launched studio classes.
- Introduced Maitland manual therapy into the department's spinal rehab protocols.

Community Service Physiotherapist

Helen Joseph Hospital — Johannesburg, GP

Jan 2013 – May 2013

- Completed community service in orthopaedic, neurological and ICU settings.
