6+ Years Exp. | 20+ Patients/Day | HPCS

PROFESSIONAL PROFILE

Committed and resilient Physiotherapist with 6 years of clinical experience serving Limpopo's rural and peri-urban health sector. HPCSA-registered with strong expertise in orthopaedic, neurological and community physiotherapy in resource-limited settings. Passionate about expanding rehabilitation access in Limpopo's underserved districts and developing locally relevant home exercise programmes in Sepedi and Tshivenda. SASP Limpopo regional representative.

WORK EXPERIENCE

Senior Physiotherapist

Pietersburg Hospital — Polokwane, Limpopo

Feb 2021 – Present

- Managed daily inpatient and outpatient MSK and neurological caseload of 22+ patients.
- Established a weekly community satellite physiotherapy clinic at Seshego CHC.
- Developed patient education materials translated into Sepedi and Tshivenda.
- Supervised 3 community service physiotherapists over 3 years.
- Elected SASP Limpopo regional representative — coordinating CPD events for 40+ members.

Physiotherapist

Mankweng Hospital — Mankweng, Limpopo

Mar 2018 – Jan 2021

- Managed a high-volume mixed caseload: orthopaedics, neurology, paediatrics, respiratory.
- Introduced FIM outcome measures into the neurology ward documentation.
- Organised and led a 3-day falls prevention community health camp.

Community Service Physiotherapist

Tshilidzini Hospital — Thohoyandou, Limpopo

Jan 2018 – Feb 2018

- Completed community service in remote Venda district hospital.
- Managed burns, spinal cord injury, paediatric and respiratory caseloads independently.
